the spirit of adventure

perception
2010 PRODUCT CATALOG
spend every second smiling

Sometimes it seems like the things you do to “live life to the fullest” can just wind up making it even more complicated. For over 30 years, Perception has been helping people bring that little bit of simplicity back to their lives and share it with the ones they love.

Our heritage of performance, dependability, and versatility is born out of our respect for our customers and for the outdoors. We know that with the right kayak you can build a lifetime of memories, and we want those memories to be available to everyone. That’s why we make the best quality models for the money you’ll find anywhere.

Flipping through an old photo album always brings a smile to your face that won’t go away, as you recall a simpler place. Since then, maybe the balance of personal time, family time, and work has tilted in the wrong direction. Maybe now’s the time to start thinking about those blank pages that you haven’t filled yet and what you’ll be doing in them.

You’re now ready to find some water in a kayak, and not just any will do. Perception puts you into the right kayak for your lifestyle, whether it’s spending time with the family, relaxing alone, going on the adventure of a lifetime, or simply adding some excitement to your exercise routine. What are you waiting for? Start experiencing the thousands of places and journeys that a kayak can take you. Make the next chapter of your story even better than the last. Once you’re on the water, you’ll see your stress fade away, but your smile never will.
When choosing your perfect kayak, there are many factors to take into consideration. We recommend talking to your local Perception dealer to help with this decision. Information provided here will help you understand kayak differences and steer you in the right direction.

**STEP ONE: PADDLING STYLE**  
Where do you want to kayak and what will you be doing? Perception kayaks fall into 3 categories. Each category has the right combination of size options, outfitting, gear, storage, and performance features for the intended uses outlined in the chart below.

<table>

</tbody>
</table>

**DEFINITIONS**
- **Stability** – general capability of boat’s resistance to tipping over under normal conditions.
- **Speed** – boat’s efficiency moving through the water and potential for higher velocity.
- **Tracking** – boat’s ability to stay in a straight line.
- **Maneuverability** – boat’s ability to turn easily.
- **Control** – Ability to use advanced techniques for precision movement on each axis, in varied terrain and conditions.

**STEP THREE: FEATURES AND OUTFITTING**

Once you’ve decided on a kayak model or two that fits your needs, looking at the features and outfitting can help in making your decision.

**COCKPIT**  
Cockpit outfitting is key to finding the best fit for comfort, safety, and control. Look for inclusion of a thigh brace or backrest, and adjustability if you will be doing longer trips or kayaking rough conditions. Pay attention to cockpit size to ensure it fits your body type.

**HATCHES AND BULKHEADS**
- Located at either end of the boat, the hatch is the opening to store gear and the bulkhead is the vertical wall that seals the compartment. Also a great safety feature providing buoyancy to the boat.

**DECK RIGGING**
- Deck lines, bungees, and toggles add safety and convenience for certain types of paddling. A spare paddle, compass, navigational charts, and other items can be readily available or deck.

**Rudder**
- Mechanical device at the stern of the boat that is foot controlled and can aid in both steering and tracking.

**DROP-STEEL**
- Mechanical device at the stern of the boat that can be deployed or retracted by hand. Adds in tracking, but not steering.

**SAFETY LINE**
- A safety feature in all of our kayak categories to conformally accommodate paddlers of all proportions. The best way to ensure the right fit is to schedule a demo with your local dealer.
it’s true; getting out on the water in a tandem with a friend, the family, or even the dog is as fun as you think. don’t do it in just any kayak, pick the most fun recreational tandem on the market. three comfortable, sliding seats for all sized paddlers and a high seat back combine with signature acadia series performance to share the adventure.

Ready to get into paddling, but worried your only options are bulky and uncomfortable recreational boats? then quit worrying, pack the picnic, and head to the lake in the acadia 11.5. it offers the stability you’ll need, but the shallow v-hull delivers unexpected speed. instantly after sitting in the comfortable, adjustable Zone® outfitting system, you’ll know you made the right choice.

This is what made recreational kayaking such a popular outdoor pastime. The Prodigy 10.0 is ready for many types of water, from lakes to slow, deep rivers. the no-hassle size is easy to throw on a car and to store. Most importantly, it’s comfortable and one of the best performing kayaks in its class. And it’s affordable, so there’s nothing keeping you from your active lifestyle.

Explore what’s a little further from land - load up the water-tight storage compartment for that all-day trip in a Prodigy 12.0. Maybe just relax and bring your bird watching or fishing gear. Efficient performance and exceptional comfort help you make the most of any day.

ACADIA 11.5

- Features: Zone Seat • SlideLock Adjustable Foot Braces • Soft Touch Handles
- Max Capacity: 365 lbs / 166 kg

SEA RCH 13.0

Find out what versatility means in the sit-on-top kayak designed for adventurous paddlers. Packed with features and gear storage options, you can take it all with you. Check out a centering hole and climb back on, ride the surf, bring the fishing gear, the dog, or just stretch your legs and relax in comfort. Engineered with speed and tracking, but with stability for beginners.

FEATURES: Comfort Seating System (CSS) • Keepers Rudder • Foot Braces • Bow and Center Hatchs • Tankwell with Bungee • Side Carry Handles with Paddle Holder • Soft Touch Handles • BTS Rudder • Gear Storage Pockets • Flush Mount Rod Holders

Max Capacity: 300 lbs / 136 kg
Length: 13’ / 396 cm
Width: 30” / 76 cm
deck Height: 15.75” / 40 cm
Seating Well Length: 54” / 137 cm
Seating Well Width: 19” / 48 cm

SEA RCH 15.0

Take the barbecue out of the backyard with the roomy Search 15.0. The well-laid-out cockpit boasts comfortable seating and a host of convenient storage features for the ride. Maneuverable design and rudder offer the control needed to leave yourself plenty of energy to fire up the grill or reel in the big catch.

FEATURES: Molded-In Seat • Molded-In Footwells • Tankwells with Bungee • Mold-In Side Handle • Soft Touch Handle • Skid plates • Stackable • Self-Bailing Scuppers

Max Capacity: 500 lbs / 226 kg
Length: 13’5” / 408 cm
Width: 33.75” / 86 cm
deck Height: 17” / 43 cm
Seating Well Length: 52” / 132 cm
Seating Well Width: 22” / 56 cm

SEA RCH 13.0 WITH RUDDER

Rough conditions make for better stories, and the ruddered model gives you the confident control that can just be your little secret.

FEATURES: Comfort Seating System (CSS) • Keepers Adjustable Foot Braces • Bow and Center Hatchs • Tankwell with Bungee • Side Carry Handles with Paddle Holder • Soft Touch Handles • Skid plate • Stackable • Self-Bailing Scuppers

Max Capacity: 300 lbs / 136 kg
Length: 15’1” / 460 cm
Width: 28.5” / 72 cm
deck Height: 15.25” / 39 cm
Seating Well Length: 54” / 137 cm
Seating Well Width: 19” / 48 cm

SEA RCH 15.0 WITH RUDDER

Get the performance and outfitting of the Search 13.0 with added room to store even more gear.

FEATURES: Molded-In Seat • Molded-In Footwells • Tankwells with Bungee • Mold-In Side Handle • Soft Touch Handle • Skid plates • Stackable • Self-Bailing Scuppers

Max Capacity: 350 lbs / 159 kg
Length: 11’5” / 348 cm
Width: 30.25” / 77 cm
deck Height: 16” / 41 cm
Seating Well Length: 53” / 135 cm
Seating Well Width: 19” / 48 cm

TRIBE 9.5

An affordable, easy to manage, and great looking sit-on-top, the most surprising thing about the family-oriented Tribe 9.5 is how great it paddles. Offering fun performance in surf and rough ocean conditions, it’s also speedy and maneuverable on flat water and lazy rivers. With Southside side handles, bow and stern carry handles and a shorter design, carrying and car topping is a breeze.

FEATURES: Molded-In Seat • Molded-In Footwells • Tankwells with Bungee • Mold-In Side Handle • Soft Touch Handle • Skid plates • Stackable • Self-Bailing Scuppers

Max Capacity: 300 lbs / 136 kg
Length: 9’5” / 287 cm
Width: 20.5” / 52 cm
Deck Height: 16” / 41 cm
Seating Well Length: 50” / 127 cm
Seating Well Width: 20” / 51 cm

TRIBE 11.5

A great all-around sit on top for paddlers small or large, the added length of the Tribe 11.5 gives a boost of speed and extra storage. This means you’ll go even further and hit the surf even better. Beginners or veterans will find the Tribe a joy to paddle in both choppy water and flat water conditions such as lakes or lazy rivers.

FEATURES: Molded-In Seat • Molded-In Footwells • Tankwells with Bungee • Mold-In Side Handle • Soft Touch Handle • Skid plates • Stackable • Self-Bailing Scuppers

Max Capacity: 350 lbs / 159 kg
Length: 11’5” / 348 cm
Width: 30.25” / 77 cm
Deck Height: 16” / 41 cm
Seating Well Length: 53” / 135 cm
Seating Well Width: 19” / 48 cm

TRIBE 13.5

There’s company in the Tribe 13.5 tandem. The versatile sit-on-top design features a 3-seat configuration for up to two adults and a small child or pet. Other features include self-bailing scupper tubes as well as bow and stern storage areas with bungees to safely secure gear such as backpacks, picnic baskets and coolers. Paddling solo is also no problem from the center seat.

FEATURES: Molded-In Seats • Small Molded-In Center Seat • Molded-In Footwells • Tankwells with Bungee • Soft Touch Handle • Skid plates • Stackable • Self-Bailing Scuppers

Max Capacity: 500 lbs / 226 kg
Length: 13’5” / 408 cm
Width: 33.75” / 86 cm
Deck Height: 17” / 43 cm
Seating Well Length: 53” / 132 cm
Seating Well Width: 22” / 56 cm
(0.27” / 51 cm)
Open up even more of the exciting possibilities kayaking has to offer by developing your skills and expanding your environments in a Perception touring kayak. These kayaks are designed for more performance, a tighter fit, and more capacity than recreational kayaks, but offer predictable handling so beginners or experts can venture on longer excursions on more types of water.

**CAROLINA 12.0**
The most versatile touring kayak ever created is in a category of its own. This day or weekend tripper is a performance machine, with great acceleration and speed. The soft chined and V-shaped hull offers stable, smooth paddling. The 12.0 is the perfect size to easily load and offers dry storage for gear to make the most of its capabilities.

**Features**
- Padded Seats with Adjustable Backrests
- Zone DLX Seat
- Zone Knee/Thighpad
- Bow and Stern Hatches
- Bungee Deck Rigging
- Soft Touch Handles
- Bow and Stern Bulkheads
- BTS Rudder

**Specifications**
- Max Capacity: 275 lbs / 125 kg
- Length: 12’ / 366 cm
- Width: 26” / 66 cm
- Deck Height: 12.5” / 32 cm
- Boat Weight: 50 lbs / 23 kg
- Cockpit Length: 20” / 50 cm
- Cockpit Width: 19” / 48 cm

**CAROLINA 14.0 WITH Rudder**
A little more can take you a long way in this 14 foot Carolina. More speed and even better tracking complements the added storage space for longer distances or extended weekend camping. The added rudder keeps windy conditions from standing in the way of your destination by giving added control.

**Features**
- Zone DLX Seat
- Zone Knee/Thighpad
- Keepers Rudder Foot Braces
- Bow and Stern Hatches
- Bungee Deck Rigging
- Soft Touch Handles
- Bow and Stern Bulkheads
- BTS Rudder

**Specifications**
- Max Capacity: 300 lbs / 136 kg
- Length: 14’ / 427 cm
- Width: 24.5” / 62 cm
- Deck Height: 14.5” / 37 cm
- Boat Weight: 59 lbs / 27 kg
- Cockpit Length: 39.5” / 100 cm
- Cockpit Width: 21.5” / 55 cm

**CAROLINA II 17.5 WITH Rudder**
Take tandem paddling from fun to exciting. Any skill level can rely on this ultra-stable kayak due to the innovative wide beam design. Ready for lakes and ponds, the touring design is also sea worthy, equipped with rudder for rougher conditions. With ample storage, pack for two and head out for a long weekend.

**Features**
- Padded Seats with Adjustable Backrests
- Keepers Rudder Foot Braces
- Bow and Stern Hatches
- Bungee Deck Rigging
- Soft Touch Handles
- Bow and Stern Bulkheads
- BTS Rudder

**Specifications**
- Max Capacity: 400 lbs / 182 kg
- Length: 17’6” / 533 cm
- Width: 28.5” / 72 cm
- Deck Height: 12.5” / 32 cm
- Boat Weight: 92 lbs / 42 kg
- Cockpit Length: 34” / 86 cm
- Cockpit Width: 19” / 48 cm
**TRIBUTE 10.0**

Roll up the yoga mat and take the workout to the outdoors! The Tribute is specially engineered for smaller framed paddlers, but unlike others in its class, maintains performance and roomy comfort. With good tracking, maneuverability, and surprising speed, there's no better recreational kayak for that cardio exercise or a full day of paddling.

Sea Kayaks

Some prefer the calm relaxation that kayaking offers, others prefer the more demanding side of the sport. Whether it’s a multi-day expedition, or the technical handling needed for rough conditions, our sea kayaks are engineered for performance on all types of water, not just the sea. Efficient designs offer increased speed, maneuverability, and gear storage, while ultra-comfortable outfitting gives an athletic grip without the punishment, so nothing’s holding you back.

Essence 17.0

The thrill and performance of sea kayaking isn’t just for experts (or just the sea). The predictable handling of the Essence 17.0 gives smaller paddlers all the tracking and maneuverability needed for that great expedition in a stable, comfortable package. Drop the skeg and open up a whole new level of excitement that pushes your abilities.

Essence 16.5

Go ahead, be demanding. If you want a kayak that’s got it all, the Essence 16.5 Airalite adds length while reducing weight for the maximum performance available. Offering comfortable outfitting, plenty of dry storage, speed, and maneuverability, it’s the perfect start to the perfect day… or week.

Essence 16.5 Airalite

Innovative Airalite construction unleashes the full performance capability of the Essence 16.5 with less weight and even tighter control.

Essence 17.0 Airalite

If your expedition requires a map, then you’re going to need the added speed, comfort, and storage found in the Essence 17.0. It’s everything you need for that weeklong, once in a lifetime trek, or a more exciting day on the water that can only be had with a design that’s truly an extension of your body.

Deck Height: 16° / 42 cm
Boat Weight: 58 lbs / 26 kg
Cockpit Length: 30” / 76 cm
Cockpit Width: 19.5” / 49 cm

Essence 16.5

Max Capacity: 325 lbs / 147 kg
Length: 16’5” / 500 cm
Width: 22.25” / 57 cm
Deck Height: 15.5° / 39 cm
Boat Weight: 55 lbs / 25 kg; 48 lbs / 22 kg
Cockpit Length: 30” / 76 cm
Cockpit Width: 19.5” / 49 cm

* Airalite Model
Even the greatest adventures must come to an end (at least until next weekend). Then it’s back to the daily grind. But after paddling with a Perception, there will be something different about you. Instead of the same things every week, you’ll have more than just small talk ready. It’s amazing how simplicity can make you so interesting.

Outfitting

Seating Systems

Comfort Seating System (CSS)
Lightweight EVA foam seat pad and contoured, padded seat back provide exceptional grip and comfort for pushing the performance limits in a sit-on-top kayak.

Zone EXP Seating System
Track to parts unknown without the punishment in our expedition grade outfitting. Adjustable leg support, thigh braces, flexible wing, and backband are ergonomically designed for all-day comfort.

Zone DLX Seating System
Multiple adjustment options for ultimate ergonomic support and fit for the touring paddler. Easily tuned components include flexible wing, leg support, and backrest.

Foot Braces

Sidelock Foot Braces
Precision adjustment of footpegs for comfort and control is simple and convenient. Side located wands make it possible to reposition by hand on the fly without leaving the seat.

Keepers Foot Braces
Durable footpegs reposition smoothly to one of many length settings by reaching forward with your hands to engage with track. Featured on most sit-on-top and rudder models.

Handles

Soft Touch Handles
Ergonomic handle conforms to the shape of your hand. The soft rubber underside delivers a secure and comfortable grip for easy loading, unloading, and carrying of your kayak.

Comfort Carry Handles
Comfortable handles conform to your hand, while the durable design ensures secure carrying of your kayak from one adventure to the next for years to come.

Kajak Sport Hatch Covers
The industry standard in rugged hatches, the Kajak Sport offers a reliable, water tight seal from the combination of a double sealing design and next-gen material construction.

Dual Density Hatch Covers
Durable push-on hatch covers make gear access easier than ever, while offering a true-fitting seal for exceptionally watertight storage.

Rudders

BTS Rudder
Take control and gain paddling efficiency in choppy conditions or in fast current. Ruddered kayak models come with the BTS Rudder kit pre-installed.

Rudder Ready Models
Many models ship “rudder ready” with internal tubing that houses rudder cables preinstalled for simple, rapid addition of after-market rudder kits.

Accessories

Harmony
Get the most of the kayaking experience with accessories and outfitting. Harmony offers a full selection of gear, from spray skirts, to personal flotation, to dry storage and much more. http://harmonygear.com

Adventure Technology (AT) Paddles
For your quality, performance kayak you need a paddle that will match. AT Paddles ergonomic, recreational and touring series are the gear of choice for Perception. http://atpaddles.com
