Kayaking

Getting Started

Whether you are looking for some serious paddling, or just a chance to enjoy the outdoors, kayaking is the perfect way to experience the water. Whether you are a beginner or a seasoned paddler, there is no limit to the many aspects of kayaking. We are eager to introduce you to the pure fun of kayaking.

Kayaking is a personal look at a different world. Kayaking is an adventure, read on. Serious exercise or serious fun. It's your choice. Whether you are looking to tone up or to challenge yourself, kayaking is the perfect way to do both.

And here is where you start.

When you hear the sound of the waves, get ready to paddle. When you see a narrow path, take the path less traveled. When you feel the mountains calling, answer the call of the wild. There is no limit to the number and variety of adventures you can discover with your kayak. You can explore a glassy lake, paddle through rapids, or just relax on the water. Kayaking is a great way to stay healthy and fit, and to enjoy the great outdoors.

Shalom course, down a narrow path, to the mountains, or to the sea. Kayaking is the perfect way to explore the world. Whether you are a beginner or an experienced paddler, there is no limit to the fun and adventure you can have on the water. Kayaking is a great way to stay healthy and fit, and to enjoy the great outdoors.

Wave, beach, and catch a sport. For fun, for exercise, or just for fun, kayaking is the perfect way to stay healthy and fit. Whether you are a beginner or an experienced paddler, there is no limit to the fun and adventure you can have on the water. Kayaking is the perfect way to explore the world.
Corsica S™
Our most popular model... great for beginners who want secure stability and predictable turning. Super for experts who want to surf a wild hole and accurately 'boof' tightly technical drops. Great for everyone in between.

Corsica™
Your choice for stable, predictable performance. Generous volume, large keyhole cockpit and roomy outfitting accommodate big and small paddlers.

Corsica S and Corsica are also available in the Prorline series, with an exciting new mid-size Corsico, the Matrix.

Sandy Laos
Stable, predictable, forgiving. That's what you want, whether you're just learning or you're an experienced creeker hitting micro-eddies and Class V slots.

Technical Fun...
Wherever, Whenever You're Ready.
The very same stable, predictable, forgiving design of the original Corsica Series, with the added plus of all the ProLine features.

Available in three versions, to suit every size body.

Corsica S™
Our best selling whitewater boat. Corsica stability, lower volume and handling ease are the reasons. And surfing is a breeze.

Corsica Matrix™
Flat center hull section under seat for stability. Rails for quick turns and sure "boofs." Turned-up ends make it great for back and front surfing. Mid-sized.

Corsica™
The first and the biggest. New features: more room at the cockpit, seat and thighbraces for folks who really want it.
Pirotette 5m

The Pirotette 5m is designed for more seasoned kayakers looking for a lightweight and versatile boat. Its compact size makes it easy to transport and store, while its performance in the water allows for a range of paddling styles. Whether you're a beginner or an experienced paddler, the Pirotette 5m offers a fun and exciting kayaking experience.

Key Features:
- Lightweight design
- Easy to transport
- Versatile paddling options
- Compact size

Find out more about the Pirotette 5m and its performance in various conditions. Contact us for more information or to place your order today.
